**EDUCATIONAL SESSION FOR CCVT PARTNERS AND HEALTH CARE PROFESSIONALS  
ABOUT THE PHYSICAL TRAUMAS SUSTAINED BY SURVIVORS OF WAR & TORTURE**

“

Come out for an intimate educational session with Dr. Michael Pollanen, based on his torture-related forensic casework and training missions in: Algeria, Bermuda, Cambodia, East Timor, Egypt, Haiti, Iraq, Jamaica, Kazakhstan, Palestine, Thailand, and Uzbekistan. This evening will be of particular interest to healthcare providers who document the effects of torture, and anyone interested in how this work contributes to advancing human rights.”
